## GENESIS

The college was initially affiliated to University of Madras and then when a New University named after E.V.Ramasamy affectionately called as Periyar the great social reformer came into existence, we came under the banner of Periyar University.

The Affiliating University creates the curriculum, and the College successfully develops, implements, and provides the programme. The college offers 18 Undergraduate, 9 Postgraduate, 7 M.Phil., 1 Ph.D., 55 Certificate Courses, and 39 Value-Added Courses. In order to emphasize the responsibility of instilling admirable value systems among students, 51 courses in the curriculum directly/indirectly incorporate cross cutting topics pertinent to professional ethics, gender, human values, environment, and sustainability. The curriculum includes internships, industrial projects, assignments, and seminars which help to provide experiential knowledge among the students.

## **Bharathiyar's Approach in Empowering Women through Quality Education**

Bharathiyar Arts and Science College for Women is committed to the cause of empowering women through holistic education that would enrich their personality and groom them into academically proficient, self-reliant, culturally-rich, responsible and confident individuals.

A student who enters the portals of Bharathiyar acquires more than a degree. She is

- ◆ Trained to identify her hidden talents.
- ◆ Skillfully equipped to be economically independent.
- ◆ Aided in developing a holistic personality.
- ◆ Trained to become an effective communicator.
- ◆ Nurtured as a leader with social consciousness.

### **OUR APPROACH**

**Student Segmentation:** Students are segmented based on learning ability, personality, communication skills, talents, career focus and social consciousness. The programmes of the college are then customized to cater to the needs of each student segment.

**Bridge Course:** All the first year students undergo a Bridge course enabling them to have a smooth transition from school to college, help them imbibe the learning philosophy of the institution and kindle in her the curiosity for life-long learning.

**Creating an exciting Learning Environment:** Innovative Teaching Methodologies such as Quiz, Case study, Guest lectures, Role play, Group discussion, Brainstorming, Audio Visual Presentations, Simulations and projects are followed.

### **Integrating Technology into the classrooms:**

- a. Every classroom is a smart classroom with LCD projector and audio-visual equipment.
- b. The College has a conducive atmosphere that comprises the best and latest in technology with a **Wi-Fi enabled campus, 4 fully equipped Computer Labs, a fully automated Library and Language Lab.**

**Industry Institution Interface:** The College in its constant endeavour to keep abreast with the latest trends has an active interface with industry through guest lectures, seminars and workshops. The College has also signed MOUs with organizations and several other institutions for exchange of expertise and human resources.

**Soft Skills Training:** Communication skills, Personality Development skills, Leadership and Management skills are being imparted to all the students to make them employable.

### **Students Training and Development programmes:**

Students are given an opportunity to explore and develop their hobbies and interests through varied training programmes.

**Entrepreneurship:** The College aims at creating “Job providers” rather than job seekers through a structured Entrepreneurship development programme. The Entrepreneur start up pitch fest and business on campus apart from skill based workshops help in molding the student Entrepreneurs.

**Department Clubs:** Every Department has a student club which serves as a healthy platform for intellectual interaction through various inter collegiate and intramural co-curricular competitions.

**Internship:** An intensive 2 weeks industrial training enables every student to gain hands on experience.

**NCC:** The College has a vibrant NCC unit. NCC cadets participate in several Camps and Awareness Programmes.

**Community Service:** The College has adopted several schools and communities to be beneficiaries of the extension work. Every year, NSS Volunteers of the College represent Tamil Nadu at the Republic Day Camp Parade. NSS Volunteers also participate in several International Youth Exchange Programmes. All extension work relates to education and empowerment of the less privileged community. e.g. Health awareness, Various Camps and Remedial Education.

**Counseling :** The College has empanelled professional counselors to support the psychological and emotional wellbeing of the young girl students of the college.

**Placement:** The College has an active Placement Cell that assists students seeking jobs. During the previous year, around **485 students** received appointment orders from 17 reputed companies.

**Extra Curricular Activities:** The College provides adequate opportunities to display the innate talents of the students in dance, debate, dramatics etc. through inter and intra collegiate cultural festivals.

**Sports:** The College has a comprehensive sports training programme that has resulted in several accolades.

**Scholarship:** The College gives preferential admission to students who have excelled in sports at the National level, deserving students are given scholarship. The college also offers merit cum means scholarships.

## DIVYANJGAN POLICY FOR INCLUSION OF STUDENTS WITH DISABILITIES

### **OBJECTIVE**

- ✓ To emphasize and ensure Bharathiyar Arts and Science College for Women as a disabled-friendly institution
- ✓ The college is chosen by students with disabilities for its appropriate amenities, infrastructure, supportive facilities and sensitized ambience to help them feel included and utilize their fullest potential

### **POLICY**

#### **Infrastructure support**

- ✓ Altering and upgrading the college infrastructure to make it assessable and disabled-friendly
- ✓ Ramps for easy use of Wheelchairs and other Mobility Aids
- ✓ Railings
- ✓ Accessible washrooms
- ✓ Wheelchairs

#### **Mentoring and Counseling**

- ✓ Remedial Coaching and additional guidance for students with disabilities.
- ✓ Mentoring and Counseling facilities to improve the wellbeing and mental health of students with disabilities.

**Awareness**

- ✓ Hosting campaigns and awareness programs for students and faculty members to make the community more welcoming and inclusive for students with disabilities.
- ✓ Training faculty members in disabled-friendly teaching practices within and outside the classroom.

## **CHOICE BASED CREDIT SYSTEM**

The Choice Based Credit System is a flexible system of learning. The CBCS was introduced for various programmes offered by the University from 2008-09 onwards. The distinguishing student friendly features of CBCS allow students to:

- Learn at their own pace
- Choose electives from a wide range of elective courses offered by the University departments with consultation of Department Faculty Members
- Adopt inter-disciplinary approach by choosing supportive papers in learning and make best use of the expertise of available faculty.

## **DEPARTMENTS AND PROGRAMMES**

There are 27 departments offering programmes at various levels under the CBCS. A programme consists of number of courses. A 'Course' is a component (a paper) of a programme. Every course offered by the University departments is identified by a unique course code. A course may be designed to involve lectures / tutorials / laboratory work/ seminar / project work / practical training / assignments / industrial training / viva voce, etc. or a combination of these, to meet effectively the

teaching and learning needs and the credits may be assigned suitably.

## **SEMESTERS**

An academic year consists of two semesters namely, Odd Semester (I and III Semesters): July to November; and Even Semester (II and IV Semesters): December to April. A semester normally extends over a period of 15 weeks. Each week has 30 hours instruction spread over a 5 day week. The duration of each semester shall be 90 working days for all PG Programme and 120 working days for B.Voc., Programme inclusive of examinations.

## **CREDITS**

Credit defines the quantum of contents/syllabus prescribed for a course and determines the number of hours of instruction required per week. Thus, normally in each of the courses, credits will be assigned on the basis of the number of lectures/tutorial/ laboratory work and other forms of learning required to complete the course contents in a 15-week schedule:

1 Credit=Minimum 1 hour of lecture per week (1Credit course= Minimum 15 hours oflectures per semester)

3 Credits = Minimum 3 hours of lecture per week  
(3 Credit course = Minimum 45 hours oflectures per semester)

The total minimum credits required for awarding a two year PG degree is 90, and for B.Voc., it is 180.

## **PROJECT**

Each student shall be required to take up an Individual Student Project Work at PG level and submit it at the end of the final semester. Students shall be allotted to all the faculty members for project guidance in a departmental committee meeting with the concurrence of all the members. A copy of the Project Report shall be submitted to the Department on or before the last date fixed by the Department/University. The Project shall be evaluated by the guide and an external examiner nominated by the University and viva-voce examination be conducted to award the marks as per norms.

## **Learning Outcomes Based Education (OBE) Curriculum:**

The learning outcomes-based curriculum framework for education is a framework based on the expected learning outcomes and academic standards that are expected to be attained by graduates of a programme of study and holder of a qualification.

The OBE was introduced for various programmes offered by the University from 2019-20 onwards. The overall objectives of the learning outcomes-based curriculum framework are to:

- Formulate graduate attributes, qualification descriptors, Programme Learning Outcomes and Course Learning Outcomes that are expected to be demonstrated by the holder of a qualification;
- Enable prospective students, parents, employers and others to understand the nature and level of learning outcomes (knowledge, skills, attitudes and values) or attributes a graduate of a programme should be capable of demonstrating on successful completion of the programme of study;
- Maintain national standards and international comparability of learning outcomes and academic standards to ensure global competitiveness, and to facilitate student/graduate mobility; and
- Provide higher education institutions an important point of reference for designing teaching-learning strategies, assessing student learning levels, and periodic review of programmes and academic standards.

## **EXAMINATIONS**

There shall be examinations at the end of each semester: for odd semesters in October/ November; and for even semesters in April/May.

## **EVALUATION**

The performance of a student in each course is evaluated in terms of percentage of marks with a provision for conversion to grade points. Evaluation for each course shall be done by a Continuous Internal Assessment (CIA) by the course teacher concerned as well as by an end semester examination and will be consolidated at the end of the semester.

## **THEORY EXAMINATION**
