INFORMATION TECHNOLOGY POLICY

Statement

IT policy exists to create, maintain, secure, and ensure legal and appropriate use of Information Technology infrastructure established in the college campus. This policy establishes Institution-wide strategies and responsibilities for protecting the Confidentiality, Integrity, and Availability of the information assets that are accessed, created, managed, and/or controlled by the college.

Objectives

- To provide controlled and quick exchange of information in diverse forms at different locations

- To provide IT infrastructure that would enable the users identify opportunities, improve performance and understand business environment

- To develop and preserve information as corporate resource and to offer infrastructure to ensure coherent access for users to complete, concise and timely information

Action Plan

➢ Classes were taken by the staff using ICT Tools

➢ Most of the Classes were enriched with Projectors

➢ During Pandemic situation students were encouraged to use technology

➢ Online Examination was conducted via website

➢ Communication was done through WhatsApp Group and E- Mail
