## ACADEMIC YEAR 2020-2021

### ACTION TAKEN REPORT

(In the appended table, only significant percentages have been considered and addressed)

S.No	Feedback	Action Taken
1.	The employer's feedback on the relevance of the topics to the Industry is 3.18 points.	The pandemic has wreaked havoc on collegiate teaching in ways that has never been witnessed before. Online classes are simply a temporary measure to safeguard our students' safety while also allowing them to continue their education. Career Counseling and skill-based programs will be organized in prospective years.
2.	The average response of employers the proficiency of our students working with them is 3.97 points.	All the UG students are taught with the new subject called professional English specialized with their core domain which was implemented in the year of 2020-2021 as per the university curriculum guidelines. The course will be supportive for the students to be proficient in communication at the work place.
3.	The teachers average feedback on the suitability of syllabus for both slow and fast learners is 3.98 points.	Due to pandemic, the online classes are allowing the teachers and students only to bridge the gap in their education system. Though it might be difficult to concentrate on slow learners individually, the slow learners classes were conducted via both online (by giving assignments, e-notes, quiz) and offline (face to face remedial sessions).
